Hi Sher: I spoke with Sadie, and we'll need to reschedule this and the follow up meeting with Howard.

Please do your best to reschedule both the 3-27 meeting with Derrith, and the 4/1 with Howard. I realize we are severely constrained by the fact we have committed to providing some sort of response to the WYOGCC prior to their Commissioner's Hearing on Monday April 8th.

So, to be clear, please reschedule the Encana Meeting #1 (for Derrith & management) on the 27th (earliest would be 4-2, according to Sandy Stavnes), and also reschedule the Encana Meeting #2 (for Howard) for after meeting #1. Use the current attendee list plus Sandy Stavnes and Martin Hestmark. For the Howard meeting, please add Kate Fay and Judy Wong.

Thank you , Sher. If I can be of assistance, please let me know. -dan

Sandy,

I am forwarding this email to Linda Bowling and others in the UIC Unit program.

Linda Bowling is in the UIC program, she is the point of contact, not Derrith.

Linda can be reached on 312-6254.

I believe in the future when UIC updates their calendars in Outlook they will send out their invitations for meetings.

Sorry about any inconvenience this may have caused.

Thank you, Sher

We have a coverage problem with this- Bert, you two and I are all out and won't be able to participate in this pre-brief for Derrith on the Moneta Divide Encana AE. Judy will participate via phone. Francie, I think you should set up a half hour with Martin on Friday afternoon after we meet with Sadie. Include Bert, Judy and me. DPP
